2nd Party

By No. CLE/1/ID(189)/74/IT-30/75/55 dated 9th January 1976 the Government of Goa, Daman and Diu referred the dispute between workman, Shri Molu Anant Mhapne, Porvorim, Bardez, Goa and M/s. Janata Consumers Co-operative Society Limited, Panaji, with the following schedule:

SCHEDULE

Whether the action of the Management of M/s. Janata Consumers Co-operative Society Limited, Panaji, Goa, in terminating the services of Shri Molu Anant Mhapne, Cashier, with effect from 1-11-1974 was legal and justified?

If not, to what relief the concerned workman is entitled to?

The reference was registered and a notice was sent to the concerned workman to file his claim statement by 14th February, 1976. This notice was served on the workman on 19th January, 1976. He, however, did not file any claim statement and so the case was adjourned to 8th March, 1976 and a fresh notice was sent to the workman concerned. This notice was served on the workman on 2nd March 1976 and yet no claim statement was filed by him and he was also not present in Court. It was again adjourned and another notice was issued to him requiring him to file his claim statement on 26th April 1976. This notice was served on a family member of the workman's family because the acknowledgment is signed by one Alka Mhapne. On 26th April 1976 also the workman did not care to file the claim statement and another notice was issued to be sent to him for filing his claim statement by 27th May 1976. This notice was served on a member of the workman's family — probably his father because the acknowledgment is signed as A. Mhapne. The final notice was then directed to be sent for claim statement on 28-6-76. There was no response to this notice also and on 28th June 1976 the workman was not present. No claim statement was also filed. It had, however, rained heavily and so the Tribunal ordered one more notice to be sent to the workman for his claim statement being filed on 30th July 1976. This notice was served on the workman concerned on 14th July 1976. Even so, the workman has not cared to file his claim statement. Thus six chances were given to the workman to file his claim statement in support of the challenge which he made against his termination of service by the Second Party from 1-11-1974.

As the concerned workman has been given as many as six chances for making out his case and he has not cared to do so, the Tribunal can only conclude that the workman has no basis for attacking the justification or the legality of the termination of his service by the Second Party. In the circumstances, the following Award is made:

"AWARD"

In spite of six chances having been given to the concerned workman and he not having filed even a claim statement making out grounds for noiding the termination to be illegal and unjustified, the reference is answered by holding that the termination of the service of Shri Molu Anant Mhapne of Porvorim, Bardez, Goa is legal and justified.

M/s. Goa Bottling Co. Pvt. Ltd., Villa Flores da Silva, Erasmo Carvalho Street, Margao, Goa. 2nd Party

By Order No. CLE/1/ID(156)/73/74/IT-42/74/94 dated 31st January, 1975 the Government of Goa, Daman and Diu referred the Industrial dispute between the first party workman and the Second Party management with the following schedule:

SCHEDULE

«Whether the action of the management of M/s. Goa Bottling Co. Pvt. Ltd., Margao, Goa in terminating the services of Shri Victor Viegas, Salesman with effect from 17-7-1973, is legal and justified?

If not, what relief the concerned workman is entitled to?»

The workman was represented by Shri N. J. Rebello in the early stages before this Tribunal. From 25-4-1975 upto 28-6-1976 between which dates eleven dates for filing of the claim statement intervened, no claim statement was filed. Finally, on 28-6-1976 Shri Rebello filed a memo stating that initially he had represented the matter before the Labour Commissioner and on the failure of conciliation proceedings, the dispute was referred to this Tribunal for adjudication and that the workman concerned did not show any interest in his case though requested to be present for preparing the claim statement and that the workman had failed also to give him (Shri N. J. Rebello) even authority to represent him and that though a communication was sent to the workman to be present in Court on 28-6-1976, the workman did not reply to the communication nor did he show any interest in the dispute and hence the workman may be summoned to appear in Court to contest the dispute. Thereupon, a notice was sent to the workman and it was served on him on 16-7-1976. The notice required him to be present before the Tribunal on 31-7-1976. In spite of the service of notice, the workman was not present in Court.

Though sufficient opportunity was given to the workman from 25-4-1975 to 31-7-1976, he has not avinced any interest in making out or supporting the case which had been referred for his benefit. No claim statement has been filed and no material has been placed before this Tribunal for not considering the termination of the services of the First Party workman as being legal and justified. The following Award is made:

«AWARD»

The termination of the services of the First Party workman is held to be legal and justified.
